

Evansville Area Inventors & Entrepreneurs Club (I & E Club)

Strong Businesses are Strong Communities!

**We Meet on the Second Wednesday
of Every Month @ 6:30 PM**

Location: Eager Economy Building
7 East Main Street
Evansville, WI 53536
(brick building, lower level)

Next Meeting - Wednesday, November 11, 6:30 pm

This month's speaker will be Gary Sedlacek, of the Biz Coach LLC. Gary is a small business consultant. He has a wealth of business experience and offers "hands-on" consulting for small businesses. Mr. Sedlacek will talk about the different business formation options, how to avoid problems, and give an overview of the consulting services he provides for new and existing small businesses.

Come share resources, exchange ideas, and be mentored. The club welcomes not just inventors and entrepreneurs, but also established businesses, new businesses, and investors. Everyone, of all ages is welcome! Keep in mind that invention is more than just creating new gizmos, it is innovation too. It can be creating a new service, process, concept, mind-set, message, or strategy which is better than the existing alternatives. You never know who you might meet and what you might learn!

Refreshments for the November meeting will be sponsored by Hammer Builders LLC.
